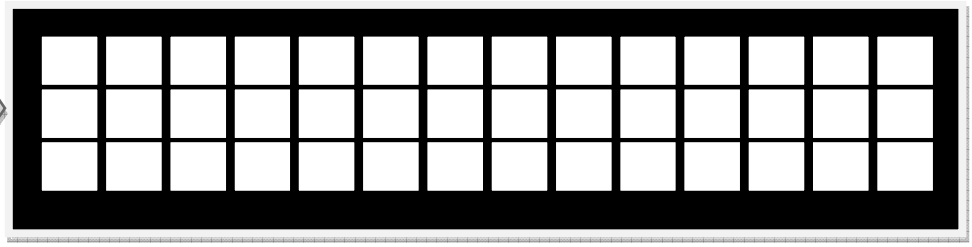
Pinewood Christian Academy

MULTI-PURPOSE GYMNASIUM
ENGRAVED BRICK PAVER
ORDER FORM

God continues to bless Pinewood Christian Academy! A new multi-purpose activities building has been constructed and is available for use by our ever-growing PCA Patriot family. However, we need your help. Through the generosity of several patrons and the stewardship of our school leaders, the majority of the cost of this building has been satisfied. Please consider participating in this program to honor a current student, former student, loved one, etc. All proceeds will be used for the completion of this building.

Print EXACTLY as you would like the brick paver to read. Use ONE letter in each space.



Donation: $100.00 per brick

Instructions : On the sample brick paver above, print the name that you want to honor. Print clearly one letter in each space. You may have a maximum of three (3) rows, with a maximum of 14 characters, including spaces, per row.

Selection and Approval Agreement

I have made my selection above and have reviewed it for accuracy. I agree to have a brick paver placed at the PCA Multi~Purpose Gymnasium in honor of the name above.
